> > ACT/037/018

San Juan County, Utah

Dear Dianna:

Please find enclosed a copy of the Division's plugging guidelines. They are presently in a "draft" stage but should be approved within the near future. I hope they will be of some help in Mineral Recovery Corporation's reclamation operations for the South Lisbon Mine.

When the reclamation work begins please let me know and I will schedule someone from the Division staff to visit the area. Thank for keeping us advised of Mineral Recovery Corporation's activities.

Sincerely,

JAMES W. SMITH, JR.
